## Preface (GR-9N-02-005-01 MD)

Aetna Life Insurance Company (ALIC) is pleased to provide you with this *Booklet-Certificate*. Read this *Booklet-Certificate* carefully. The plan is underwritten by Aetna Life Insurance Company of Hartford, Connecticut (referred to as **Aetna**).

This *Booklet-Certificate* is part of the *Group Insurance Policy* between Aetna Life Insurance Company and the Policyholder. The *Group Insurance Policy* determines the terms and conditions of coverage. **Aetna** agrees with the Policyholder to provide coverage in accordance with the conditions, rights, and privileges as set forth in this *Booklet-Certificate*. The Policyholder selects the products and benefit levels under the plan. A person covered under this plan and their covered dependents are subject to all the conditions and provisions of the *Group Insurance Policy*.

The *Booklet-Certificate* describes the rights and obligations of you and **Aetna**, what the plan covers and how benefits are paid for that coverage. It is your responsibility to understand the terms and conditions in this *Booklet-Certificate*. Your *Booklet-Certificate* includes the *Schedule of Benefits* and any amendments or riders.

This *Booklet-Certificate* is not a Medicare supplement certificate. It is not designed to fill the 'gaps' of Medicare. If you are eligible for Medicare, review the Medicare supplement buyer's guide available from Aetna.

If you become insured, this *Booklet-Certificate* becomes your *Certificate of Coverage* under the *Group Insurance Policy*, and it replaces and supersedes all certificates describing similar coverage that **Aetna** previously issued to you.

## **Additional Information Provided by**

### **Your Employer**

The following information is provided to you in accordance with the Employee Retirement Income Security Act of 1974 (ERISA). It is not a part of your booklet-certificate. Your Plan Administrator has determined that this information together with the information contained in your booklet-certificate is the Summary Plan Description required by ERISA.

In furnishing this information, Aetna is acting on behalf of your Plan Administrator who remains responsible for complying with the ERISA reporting rules and regulations on a timely and accurate basis.

#### **ERISA Rights**

As a participant in the group insurance plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

##### **Receive Information about Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), and an updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Receive a copy of the procedures used by the Plan for determining a qualified domestic relations order (QDRO) or a qualified medical child support order (QMCSO).

##### **Continue Group Health Plan Coverage**

Note: This sub-section applies to the Plan if your Employer employs 20 or more employees in accordance with a formula mandated by federal law. Check with your Employer to determine if COBRA continuation applies to the Plan.

Continue health care coverage for yourself, your spouse, or your dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan for the rules governing your COBRA continuation coverage rights.

Reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the Plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to preexisting condition exclusion for 12 months after your enrollment date in your coverage under this Plan. Contact your Plan Administrator for assistance in obtaining a certificate of creditable coverage.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in your interest and that of other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to \$ 110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan’s decision or lack thereof concerning the status of a domestic relations order or a medical child support order, you may file suit in a federal court.

If it should happen that plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact:

- the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory; or
- the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington D.C. 20210.

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Statement of Rights under the Newborns' and Mothers' Health Protection Act**

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that you, your physician, or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, you may be required to obtain precertification for any days of confinement that exceed 48 hours (or 96 hours). For information on precertification, contact your plan administrator.
